VALRFS-2D-54

Valyr Glass Door Merchandiser Refrigerators are a great way to display cold drinks, food and any other grab n' go items that are sold in your establishment. These units are perfect for convenience stores, delis, markets and so much more. With their anti-fogging glass and illuminated interior, the products inside will always be highly visible to your shoppers. The self closing door ensures the internal temperature stays at the desired temperature no matter how many times they are being opened. These units come standard with plastic coated steel shelves that are easily adjustable and a front mounted LED temperature display.
